FROM MRS DOWNER'S SPORTS DESK

WINTER CARNIVAL

Last week we were lucky enough to get a day without rain to take 40 students to the annual Winter Lightning Carnival. This year we travelled to Hammond Park Secondary College and competed in Netball, Soccer and Modcrosse. Well done to all our competitors who showed off their great sportsmanship and skills on the day. We had a few wins and a few losses, and our Modcrosse team managed to bring home the winners shield with an unbeaten record! Congratulations everyone and thanks to the students, staff and volunteers for all their hard work.

SOCCER CLINIC

Over recent weeks we have had coaches from Football West teaching us some new skills and games. The students have had a fantastic time learning to juggle, dribble and refining their football skills. Thanks to Sporting Schools for making these clinics possible.

STUDENT NEWS

Recently our very own Year 5 student **Alex Vlasic** and his team the Central Firebirds, competed at the National Little League Baseball Championships in Sydney, NSW. They came up against 11 of the best teams from around the country and they were able to secure a bronze medal for their efforts. Congratulations Alex and the Central Firebirds!

JAPANESE NEWS

OISHII! (Yum!)

Year 2 students got the chance to taste some Japanese food in week 8. Not everyone enjoyed the experience as the food was rather strange. We tasted dried seaweed, tofu with soy sauce and pickled radish and ginger.

Of course, the most popular was POKI, a Japanese chocolate coated pretzel.

YEAR ONE BEACH EXCURSION

In Week 5 the Year One students went to Coogee Beach. They learnt about beach combing and participated in beach combing activities. Thankfully the weather was perfect on the day and we had an amazing day learning about our environment.

HEALTHY EATING TIP

Go Bananas—bananas are perfect energy boosters, and help promote healthy bodies and minds.

Music

with our Junior classes and Ms Fourie

Our Junior students had a great experience in Music this semester. Our activities included playing classroom instruments, moving to music, singing, working individually and in groups to create and perform musical compositions and learning about musical elements such as pitch, rhythm, dynamics and tempo.

I have loved watching the students have fun and getting creative while having a blast! We are sure the Senior classes are eagerly awaiting their turn next semester to get into the groove for their musical experiences.

Our school choir has also been working hard this semester in preparation for the annual WA Massed Choir Festival next term.
