

Dear Parents and Caregivers

Independent Public School

From 2024, Yangebup Primary School will become an Independent Public School! This is an acknowledgement from the Education Department that we are an effective school that works with community to make positive change. It is also an endorsement of the changes we have already made, our future directions, and a way for the department to place trust in us going into the future for our own decision making. We also have the added bonus of having more flexibility when we choose new staff.

Thank you to the School Council (who will be known as the School Board next year) for all their support and advice. A special thank you to our Council Chair, Ashley Heath, for the hours of hard work helping me to prepare our application and for presenting to the panel with me. This is a huge milestone for Yangebup Primary!

Open Night

In Week 5, Thursday 9th November, YPS will be hosting our annual Open Night. Classrooms will be open from 4pm until 5.30pm. Following that, we would love families to stay on and enjoy a picnic on the school grounds. There will be some food vans available or you can bring your own picnic. You will also need to bring chairs or a picnic rug. This will be an alcohol free event. The school will close at 7.30pm.

Class Placements for 2024

Staff work very hard in Term 4 to place students in classes for the following year. You can read our Class Placement Policy and our Split Grade Policy on our website www.yangebupps.wa.edu.au. We try to ensure that each class has a range of abilities (split classes included) and that each student has at least one friend. If a student has been in a split class one year, if possible, they are put in a straight class the following year. It is important to understand that split classes are not organised based on ability (we favour independent students for these classes).

If there are any educational or behavioural issues that you think need to be brought to our attention **before** we place students, please let me know by email by **Friday 10th November**. Parents cannot request a particular teacher or not to be in a split class. Please note that I have not finalised allocating teachers to grades as yet.

Students will have the opportunity to meet their new teacher for an hour on the last day of school and class lists will be posted in the library windows the day before. Students cannot be changed once classes are set because there are so many factors that go into the decisions so please do not ask for changes.

Bead Jewellery Making

Mrs Cridland is going to be offering a bead jewellery making session at lunch for senior students once a week on Thursdays from 10.50 to 11.20. We would love to know if anyone is willing to volunteer to come along to assist? If you are a parent or guardian, you need to complete a Parent Volunteer Declaration form (available from the office) or show your WWC card if you have one. However, other community members, eg grandparents would need a WWC card. Please call the school if you would like to help out.

YangeeSPLAT

We are nearing our 'grand finale' .

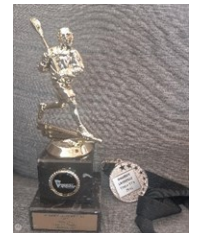

Please help us to build on our total. If every student buys just one ticket we will be able to raise \$300 which means **3 staff members** and **David Scaife MLA** will be '**beaned**'.

Come on—join in the fun and please help us achieve this goal.

STUDENT NEWS

Matthew Hill received an Under 11 medal for participation and an Under 13 Coaches Award for listening, training and great Sportsmanship. It was stated he was a pleasure to coach by his club Phoenix Lacrosse Club.

Has your child excelled outside school in an event? If so we would love to hear about it.

Sports Carnival

Me AND Erik
zedd WON the AS race.

Thank you to
Mr David Scaife MLA

Gifted and Talented Applications are OPEN!

Be Quick! Applications for Year 7 2025 are now open.

Gifted and Talented education at Fremantle College enables children with exceptional academic ability to engage and flourish in a learning environment that is intellectually stimulating and rigorous. Learning programs are flexible and tailored to accelerate, extend and enrich the learning for each student. Classroom environments that are creative, promote divergent and higher-order thinking, as well as deliver an open ended approach to learning, will foster the continued emergence of students' gifts and talents, and growth in learning.
