

Dear Parents and Caregivers

Additional Eating Time

Yangebup Primary School gathered feedback from staff, parents and students regarding the changes to eating and playing times. Thank you to all those families who provided feedback through their Parent Representative. The feedback was clear that some students were not getting enough time to eat their lunch. To address this, we will add 5 minutes eating time to lunch, taken from afternoon recess so classroom time will not be affected.

Are You Leaving the School?

So that we can more accurately plan for classes next year, if you think you may be leaving the school, please let us know even if this is not definite.

Touch Rugby

Congratulations to students who participated in Touch Rugby last Friday. Every team performed with great sportsmanship and we came away with a 2nd and 3rd place.

Variety Toy Drive

Thank you to all who donated. We have such a generous community! We had a great stack of toys by the time they were picked up. I am sure they will be very appreciated by the children who receive them.

Book Award Assembly

Please save the date for our annual Book Award Ceremony on Thursday 7th December at 9.15am. In the undercover area. As well as book awards being presented, we will celebrate the end of the year with items from the PPs as well as showcasing the Music Years 3-6 have been learning this semester. We would love to see you there if you can make it!

Classes for 2024

Year 1 to Year 6 2024 Classes will be displayed in the library windows on Wednesday 13th December and students will be able to spend an hour in their new class on the last Thursday, 14th December and meet their new teacher. A lot of time and thought have been put into placing students so changes will not be able to be made. PP 2024 classes will be displayed on the Kindy doors on Monday 11th December and Kindy students will visit their new PP classes on Tuesday 12th December for an hour.

Please keep in mind that if we have additional students enrol at the beginning of the year (if students are in our catchment, we must take them) then a reorganisation of classes may happen.

Music Department News

PERTH MUSIC AGENCY

We are so proud of our piano students who took their exams with ABRSM recently. Well done to Mitchell and Zac who both achieved Merits for their Grade 1, and well done to Evelyn and Bethany who were so confident in their prep test exam and received beautiful comments from the visiting examiner. These achievements are a credit to the hard work and commitment that the students have put in to their piano lessons and home practice. We are very excited for their continued musical journey!

Lakeland Cup Touch Rugby Friday 24th November 2023

Thank you to parents and guardians for transporting their children to Lakeland Senior High for a great day of Touch Rugby games. Although the weather was warm, the students had fun and showed great sportsmanship. We entered one girls team and two boys teams and came away with 2nd place for the girls, and 3rd place for the boys. Well done everyone and bring on next year for the win!

Taekwondo with Debbie Collins from Kickstart Taekwondo and Fitness

We have been lucky enough to secure another grant from Sporting Schools which we are currently spending on Taekwondo lessons. Most students are taking part in a 4 week course with Debbie from Kickstart. We are having fun and learning many things but most importantly we are learning about some of the tenets of taekwondo including integrity, courtesy and perseverance. Thank you Debbie and Sporting Schools.

Early Childhood Playground

Thanks so much to one of Kindy parents Hayden Brown for repairing our limestone wall in the early childhood sandpit. We really appreciate your time and expertise!

The children were very interested in the limestone work, Hayden had lots of observers.
