

Our motto: Pride and Achievement

Our values: Kindness, Achievement, Respect and Responsibility

Welcome Back!

Welcome to our new families and welcome back to everyone. It was a delight to see the students come eagerly back to school. We had wonderful attendance on the first day – best in a long while! Please be aware that our **school closes for parents at 3.15pm** and gates will be locked unless you have an appointment.

Student Progress Meetings

On Wednesday 25th March we will be closing early (12.00) so that teachers can hold meetings with parents. Meeting will be regarding how your child is going in English, Maths and behaviour. Meetings are 10 minutes and there will be more information on how to book your appointment closer to the date. If your child has an Individual Education Plan, the teacher will book you in for a longer meeting either before or after that date. Children do not attend these meetings. There will only be one meeting time available per child.

Introduction Letter and Compass

Compass is the new way that classroom teachers will communicate with the whole class. At the beginning of each term, teachers will post a newsletter outlining what is happening and what will be taught. There will be an introduction letter posted by the end of next week (Week 3).

Medical

Please ensure that any updates to medical information is made at the front office asap. If you have medicine stored with us, please check the expiry date. Any new medical issues or diagnoses must be reported to the front office.

Parent Representatives

One parent from each class is appointed as a Parent Rep. They meet with me once a term to get updates, ask questions and get more detailed information about the school. They also act as a conduit between the parents in the class and the school. If you would like to be the parent rep for your child's class, please contact the classroom teacher and let them know. The meetings will be held on a Friday morning at 8.45 and Term 1's meeting will be on 27th March.

Sun Smart School

Along with the School Board, we are working on becoming a Sun Smart School. We have ordered new sunscreen for every classroom and will be strongly encouraging students to apply it before they go out for lunch. We encourage parents to ensure that children put sunscreen on at the beginning of the day at home. If you do not want your child to apply sunscreen, let your child's teacher know. Alternatively, students can bring their own and keep in their school bag for use.

Your Move

Fridays remain **Wheelie Fun Fridays!**

While there won't be stamps to collect this Friday, we still encourage all students to cycle, walk, or scoot to school. Staying active is important for your health and wellbeing.

We're currently selecting our new Your Move Representatives for 2026. More details to follow soon.

Breakfast Club - will be operating on Mondays and Fridays in the Science room
8.15am - to 8.30am

Lunches - can be ordered for Tuesdays and Thursdays through Lunch Box Hub

Compass

Are you using the Compass App? We encourage both guardians to use the app. If you can not find your login in details please contact the office. You can use the app to see your child's profile and to up date us on attendance. There will also be news items from your class teacher or the school office to view on the app too. For more information visit the Compass link via our website:
www.yangebupps.wa.edu.au

Holidays and absences

Sickness: A reminder if your child is unwell or attending an appointment, please log in to your Compass app and send an attendance note. Alternatively please contact the school office by phone **08 9395 3200** and leave a voicemail with your child's name, reason and date they are absent. An email can also be sent to the school office.

Holidays: The Department of Education discourages families taking vacations during school terms. If you are planning a vacation of more than 3 school days, please email the Principal with the request. The Principal will review and decide if it can be approved. Criteria is based on an attendance average of at least 90% and the number of vacations taken.

Everyday Matters

Christian Values Education

Everyday Matters is a practical & engaging Christian Values Education program created in WA for WA State Schools. At YouthCARE, we have a unique insight into what matters to kids. That's why when designing our curriculum, we knew that kids would want to be talking about topics like

friendship acceptance courage and purpose

Over the course of the program, students explore key values through games, activities, craft and Bible stories. When your child participates in our program, the fun levels are high and the content meaningful. We're here to support kids, champion their growth and offer a faith perspective on everyday life.

Who delivers Everyday Matters?

Everyday Matters is run by trained volunteers who are comprehensively resourced with our curriculum. All of our volunteers are screened and managed by YouthCARE and committed to respecting children from all backgrounds.

What will my child be learning about?

Through Everyday Matters, your child will be learning about important values such as thankfulness, leadership, resilience, friendship, emotions and much more - all in a safe, fun and inclusive environment!

Is it Department of Education endorsed?

Yes. The Department of Education continues to make space for Special Religious Education in the curriculum and one of the ways YouthCARE supports educational communities is by supporting them in it's delivery.

Perth Goju Karate teaches karate classes at the Yangebup Community Centre hall.

A special offer for Yangebup Primary students - 4 WEEKS FREE beginners karate lessons!

Classes are held after school on Tuesday's and are a great way for children of all ages to learn self-defense in a fun and safe environment.

We also teach classes for teens and adults and they are fantastic for fitness, wellbeing and of course, self-defense.

Students who attend the schools on-site After Care are collected and taken to the class in the hall and returned to After Care when their class is finished.

Classes continue throughout the school term and the school holidays.

Karate has many benefits which include confidence, respect, discipline, fun and fitness.

Call now to take advantage of this 4 week trial.
