P&C Stronger Communities Programme funding

Congratulations and thank you to the P&C for winning the Stronger Communities Programme funding of \$4000+ for the school to design and purchase shirts for students to use when representing the school at interschool events. A process is currently being developed for the design of the shirts. It was lovely to have Josh Wilson MP to present the grant to us.

Choir

It is wonderful to see the student who are part of the choir practicing hard for their upcoming performance in the Mass Choir this year. Thank you to Ms Annemarie Harris for her hard work in preparing the students.

Positive Behaviour Program: Wrist Bands and Badges Recognition of Good Attendance and Behaviour

Last term we introduced an individual point system for students where they earn a point for each day they attend school and display good behaviour. They will still receive a point if they have to leave for a short period for an appointment. If students are sent out to buddy class or to the office they will not receive a point for that day.

When they reach the following targets, PP to Year 2s receive wrist bands and Year 3 to 6 receive badges: Bronze: 40 Silver: 80 Gold: 130
These points will reset to 0 at the beginning of every year.

Badges and wrist bands are presented at assemblies or in class if there are no upcoming assemblies. Lots of students have already received their Bronze awards!

Well done! Bronze badges will be swapped for silver ones when students reach 80 days. Students can keep whatever badge they finish on for the year.
