Cockburn Council Youth Parade Year 6

I would like to congratulate our Year 6s who attended the Youth Parade on Wednesday. It was a lovely walk in beautiful weather but a very long service and their behaviour was absolutely exemplary.

ANZAC Service

Thank you to all those who attended the ANZAC Service on Wednesday. Thank goodness the weather held out for us! It was a moving service and the students were very respectful as usual.

School Hours

Please be aware that the school gates are locked at 3.15pm and all students and parents should have left the school grounds by this time. If you have a meeting after school, the gate that the after school care uses near the community centre will still be open or we can unlock a gate for you.

Your Move Grant for New Bike Racks

Thank you to the Your Move Team led by Mrs Lilly and Anna Agnew for winning a grant of \$7500 for last years efforts! Over the holidays our new bike racks have been installed as well as a tyre pumping station for students and parents to use. Well done to everyone!!!

Parents and the School Library

Parents are welcome to borrow books from the school library. We do have some parenting ones and others on puberty that students may be too embarrassed to check out themselves. Abby, our librarian, is on leave for Terms 2 and 3, but please ask our friendly librarians, Beth or Kayla.

Scholastic Points

Thanks to Parent Reps who asked the question about whether we can give the school points when you do a private purchase. If you order scholastic books from their website, the school can get points that we can add to what we get at our Book fair. There is an option to choose a school. If, however, you purchase through the Warehouse Sale, you cannot have points for the school.

Push Notifications

A reminder that you have to turn on push notifications for Compass if you want a notification every time there is a message from Compass.

OSHC Provider

We are putting out an expression of interest for an OSHC provider. Please email yangenup.ps@education.wa.edu.au for more information.

New Bike and Scooter racks

You may have noticed that our bike shed has had an upgrade. We now have 3 new bike racks and 3 new scooter racks. These shiny new racks are the product of a grant we won through the Your Move program from the Department of Transport. We also received a pump station that has been fixed to the outside of the shed, here you can pump up your tyres using the foot pump.

The new bike racks are different to the old ones and in order to utilise them effectively we will need to alternate the way the bikes go into the racks. They will go one in frontwards then the next in backwards, then the next frontwards and so on. We have put a poster up inside the shed to show the correct way to use the racks.

We hope you enjoy the new racks and pump. Please use them with care so they stay in great condition for a long time.
