Book Week

It was wonderful to see all the students dressed in their favourite book characters on Tuesday. The staff really enjoyed performing Wombat Stew for students. A big thank you to Mr Blades for directing our motley cast and crew!

Calling for Indigenous Artists

Yangebup Primary School invites submissions from local Indigenous artists with connections to Whadjuk Boodjar to design a unique shirt inspired by student artwork. This will require 3 designs to be created, of which the school community will then select the final shirt design from. The shirts will be 'Special Representative' shirts for the students to wear with pride when they are representing the school at events such as interschool athletics events, interschool maths competitions and choir events. Please call the school for an application form. Due date is **Monday 13th October**.

Unveiling of Block and Classroom Names

Thank you to Miss Lilly and Ms Chapman for their hard work in organising an unveiling ceremony last week. The art work looks amazing. Thank you to Leonard Thorne! The rest of the art work and name plaques will be hung in the coming weeks.

Reconciliation Action Plan

Well done to the RAP Committee for all their hard work getting this action plan underway. I look forward to the changes that we will make as a result.

Your Move at Yangebup Primary School

What is Your Move?

Your Move is a free program run by the Department of Transport that provides information and support to help the community find healthier, more active ways to get around. Schools are encouraged to take part by running activities that engage students in walking, wheeling or riding to and from school as well as learning about safety, bike education and active lifestyles. Your Move provides exclusive offers each year to help school groups grow an active community and inspire more students and their families to participate in the program.

How is YPS involved?

This year YPS became involved for the first time in the Your Move program. Each class from Years 3 – 6 have a student rep who attends termly meetings and help plan upcoming events, which they then share with their classes.

Events and activities are available for all YPS students – our most popular is Wheelie Fun Fridays where students receive a stamp on arriving to school either by walking, riding their bike or scooter. The student reps then stamp each students' reward card and during the term completed cards are entered into a prize draw.

How do I find out about events and activities?

Keep an eye on the school newsletter for upcoming and ongoing events.

Look at the YPS page on the Your Move website – read the stories shared and add your encouraging comments, our students love to read these.

<https://yourmove.org.au/group-profile/Yangebup-Primary-School>

How can my child become involved?

Participate in events held during the term – the easiest is Wheelie Fun Friday.

Talk to your child's class teacher to ask what activities they may be doing in class to participate during the year.

Ask your child to talk to their class student rep about other possible activities planned for the term.

Bike safety 101

So your child has been learning all about road safety and how to ride a bike safely. They might be eager to get out on two wheels and have a ride with you, however, as a parent or guardian, you might have a few questions.

Are our bikes legal?

There are a few things every bike needs to be considered legal, and most importantly, safe for use.

- A working bell fixed to your bike.
- Working back brakes (front brakes are optional);
- A red reflector fitted to the rear;
- A yellow side reflector (visible from both sides) on each wheel; and
- Yellow reflectors fitted to both side edges of each pedal.

Most new bikes would have these but if you've got some older bikes in the shed or garage it's probably a good idea to give them a check before heading out on them.

If you plan to ride in low light conditions (dawn, dusk or even bad weather), a bike must have:

- A front light showing an unbroken or flashing white beam that is clearly visible from 200m, and;
- A rear light showing an unbroken or flashing red beam that is clearly visible from 200 metres.

What rules do we need to follow?

You need to wear an approved helmet, fastened always. All approved helmets are sold with a compliance sticker, so they're easy to identify.

For young or new bike riders a footpath or shared path is the best place to ride. However, there are some special rules for the use of shared paths and footpaths in WA:

- All riders, regardless of age, may ride on any footpath unless there's a 'no bicycles' sign;
- Riders must keep left on shared paths and footpaths unless overtaking;
- Riders must give way to pedestrians always (this includes people walking, in wheelchairs, rollerblades and skates); and
- You need to travel in single file on all paths (can be two abreast on the road);
- Although path-users have right-of-way across driveways, be careful of cars as they won't always look or stop for path-users.

Riding on the road

Remember, if you ride on a public road you must obey the same rules as cars and you should use bike lanes wherever possible.

When crossing at a children's crossing, a pedestrian crossing or a marked foot crossing you must get off your bike and walk it across the road.

If you choose to ride on the road, remember to use your hand signals to indicate where you're going.

Remember: Bike riders should always give way to pedestrians – including people walking, in wheelchairs, rollerblades and skates.

Athletics Carnival lunch

Athletics Carnival lunch orders are changing !

After a few years of sausage sizzles and nuggets, the P&C are changing up the lunch order option for the 2025 Sports Carnival.

The special lunch order option will now be **Subway**. Sub and drink meal deals will start from \$11.55, with the option to add a cookie and extras when ordering.

Orders are to be placed online and will close 2 days prior to the Sports Carnival.

You can place orders via: myschoollunch.com.au/yangebup-ps-traffic-selector

A sausage sizzle will still be available for purchase by families on the day, alongside our usual cake stall options.

Compass update

Have you downloaded the Compass App? We encourage both guardians to use the app. We will be sending you a reminder email with your login details. You can use the app to see your child's profile and to up date us on attendance. There will also be news items from your class teacher or the school office to view on the app too. For more information visit the Compass link via our website: www.yangebupps.wa.edu.au

Holidays and absences

Sickness: A reminder if your child is unwell or attending an appointment, please log in to your Compass app and send an attendance note. Alternatively please contact the school office by phone **08 9395 3200** and leave a voicemail with your child's name, reason and date they are absent. Alternatively please send an email to the school office.

Holidays: The Department of Education discourages families taking vacations during school terms. If you are planning a vacation of more than 3 school days, please email the Principal with the request. The Principal will review and decide if it can be approved. Criteria is based on an attendance average of at least 90% and the number of vacations taken.
