Your Move

Congratulations to Miss Lilly and her team for achieving Platinum status with the Your Move Program. A grant for \$7500 has been awarded to the school to be spent on upgrading the bike cage!

School Times

Just a reminder that gates open at 8.15am in the mornings. From here students can head to the library for supervision, before being released to classes at 8.30am. The siren to commence lessons is at 8.40am. If your child arrives late then they will need to go to class via the front office to receive a late slip. School finishes at 2.55pm and the gates are locked at 3.15pm.

Parent Representatives

By the end of next week, class teachers will have called for a Parent Rep for their class. Please let your child's class teacher know if you would like this role. One parent from each class is appointed as a Parent Rep. They meet with me once a term to get updates, ask questions and get more detailed information about the school. They also act as a conduit between the parents in the class and the school.

Your Sport School Day

On Tuesday the 3rd of March our year 6 students will be hosting a "Support Your Sport School Day" to raise funds for their Year 6 journey towards Graduation. This is a gold coin fundraiser. Students can come dressed in any appropriate sporting attire. Let's get behind our Year 6 students and have a massive sporty turn out!

Student Progress

The booking system will be coming out in week 6 via Compass, so keep an eye out.

Week 5 Events

Thursday at 9.15am David will be visiting our school to view the completed works in the undercover area including the fan and music room wall. These works were part of his election commitment promise.

Summer Lightening Carnival is on Friday at Beelier Primary School. Go Yangebup!

Your Move 2026

Your Move is a program run by the Active Travel team at the Department of Transport which encourages active travel to school. As Your Move school, we are trying to swap a few car trips each week with more active ways to get around, including walking, wheeling, riding, scooting or catching public transport.

Here at Yangebup Primary School, we have **Wheelie Fun Friday**.

Every Friday, you will see our student reps at the gates handing out stickers or stamps which the students can collect to go into a draw at the end of term to win prizes.

As a school, we write stories and reports about our active travel events and earn points to spend through the Your Move website but what's more, we also earn point towards accessing a grant for the school. This grant can be spent on upgrading school facilities like the bike parking.

Last year, we reached Platinum level and we were able to apply for a grant. We can now announce that we were **successful** in acquiring this grant and we will be the lucky owners of some upgraded bike parking facilities very soon. We would like to say thank you to last years Your Move Student Reps who were instrumental in helping us acquire this grant.

Now we would like to welcome our new Your Move team who you will see working hard on the gates each Friday morning - look out for them wearing their green Your Move t-shirts.

Everyday Matters

Christian Values Education

Everyday Matters is a practical & engaging Christian Values Education program created in WA for WA State Schools. At YouthCARE, we have a unique insight into what matters to kids. That's why when designing our curriculum, we knew that kids would want to be talking about topics like

friendship acceptance courage and purpose

Over the course of the program, students explore key values through games, activities, craft and Bible stories. When your child participates in our program, the fun levels are high and the content meaningful. We're here to support kids, champion their growth and offer a faith perspective on everyday life.

Who delivers Everyday Matters?

Everyday Matters is run by trained volunteers who are comprehensively resourced with our curriculum. All of our volunteers are screened and managed by YouthCARE and committed to respecting children from all backgrounds.

Is it Department of Education endorsed?

Yes. The Department of Education continues to make space for Special Religious Education in the curriculum and one of the ways YouthCARE supports educational communities is by supporting them in it's delivery.

What will my child be learning about?

Through Everyday Matters, your child will be learning about important values such as thankfulness, leadership, resilience, friendship, emotions and much more - all in a safe, fun and inclusive environment!
